About

I'm a Curious and passionate aspiring Product and UI/UX Designer driven by a desire to create meaningful digital experiences. I enjoy solving real-world problems through design thinking, visual storytelling, and user-centered design. Currently studying at Uncommon.org and actively seeking opportunities to learn, contribute, and grow in a fast-paced, creative environment.

Education

2021 – 2023	<div><div></div><div>Young Africa Academy</div><div>O'level ZIMSEC:</div><div>Mathematics (A)</div><div>Commerce (B)</div><div>English Language (C)</div><div>Science (C)</div><div>History (C)</div><div>Geography (C)</div><div>Heritage Studies (A)</div></div>
2025	<div><div></div><div>Uncommon.org</div><div>Product & Digital Skills Program (Current Student)</div></div>
